The Bread Problem is not a problem in the home where Shredded Wheat is known. The whole wheat grain is the real staff of life, and you have it in Shredded Wheat Biscult prepared in a digestible form. It contains more real body-building material than meat or eggs, is more easily digested, and costs much less. The food for the up-and-coming man who does things with hand or brain—for the kiddies that need a well-balanced food for study or play—for the housewife who must save hersself from kitchen drudgery. # Show Your Practical Sympathy with Slave-Raided Belgium

If ever Belgium needed sympathy—OUR sympathy —she needs it now! To the ravages of fire, sword and a savage, brutish soldiery, Germany has added deliberate, cold-blooded slave-raiding.

Over 100,000 Belgian workmen have already been snatched from their homes and taken into slavery in unknown places. The mothers, wives and children who beg for their release are driven back by the Huns in utter despair. Neutral protests have failed to change Germany's inhuman purpose, nor can the Allies free Belgian manhood until the Teutons are crushed.

But we can save the women and children through the neutral Belgian Relief Commission, which is feeding three million of them. We can express our indignation, and our sympathy with our Ally's wrongs, in a practical way, by giving more liberally than ever to the Belgian Relief Fund.

Make this a personal matter! Decide what you can afford to give, and send your subscriptions weekly, monthly or in one lump sum to Local or Provincial Committees, or
